STUDIO HOUSE - CHECK-OUT PROCEDURES

We hope you have enjoyed your stay at Windrush by the Sea. We would appreciate it if you would leave the facilities in the same condition that you found them. Please adhere to the following checklist before your departure:

1. Strip sheets and pillow cases from any and ALL beds that were used and place the linens on the floor by the washing machine in the game room on the first floor.
2. Pick up all towels, hand towels, and wash clothes from both the kitchen and bathroom, placing them on the floor of the game room by the washing machine.
3. Place any unwashed dishes, pots, and pans in the dishwasher. You do not need to start the cycle.
4. All food items need to be removed from the refrigerator and freezer.
5. If you have borrowed any kitchen items from the Main House, they need to be returned.
6. Any and all furniture that you moved during your stay, needs to be returned to their previous location of when you arrived.
7. Turn off all lights as well as locking all doors and windows.
8. When leaving, ALL wall heaters need to be turned to the "OFF" position.
9. Pick up any paper, pop cans, and any debris, placing them in the appropriate waste and/or recycle containers.
10. Pick up any litter that might be left outside and place it in the garbage can.
11. Return garbage and recycle containers to the platform out by the road at the intersection of Coast Road and James Street.
12. Fasten shut the entry gate in the closed position.

Following your departure, we will do any general cleaning in preparation for the next guests which will include laundering the linens and making up the beds, cleaning the bathrooms, kitchen, and vacuuming the rooms.

Please adhere to the instructions that you were given with respect to returning the keys.

Respectfully,

The Management at Windrush by the Sea
